**PROSPECTING LICENCE FOR  
**Company name**  
FOR AREAS IN WEST GREENLAND**

Under the provisions of article 6 of the Act on Mineral Resources in Greenland (the Mineral Resources Act), Act No. 335 of June 6, 1991 with later amendments, cf. Consolidated Act No. 368 of June 18, 1998, the Government of Greenland hereby grants the licensee indicated below a non-exclusive prospecting licence. The licence is granted under the stipulations set out in chapters 1, 2, 7, 10 and 11 of the Mineral Resources Act and under the terms set out below and in the attached “Standard terms for prospecting licences – Hydrocarbons” of June 1, 2000 (the standard terms). The licence is granted to the following licensee:

**Company name**

**Address**

**Address**

**Address**

**§ 1. Mineral resources covered by the licence**

101. The licence covers the mineral resources indicated in section 1.01 of the standard terms.

**§ 2. Licence area**

201. The licence covers land and offshore areas in West Greenland delineated as areas south of 78°N and west of 44°W, cf. section 2.03 of the standard terms. All longitudes and latitudes refer to the World Geodetic System Datum 1984 (WGS-84). A map of the licence area is enclosed (Enclosure1).

**§ 3. Licence period**

301. The licence is effective from the signature by the Greenland Home Rule Government to December 31, **xxxx**.
